Applications for a Board position must be returned to your Team Manager or a current Board member by March 9, 2026.

By requesting your name be placed on the ballot, you agree to the following responsibilities:

- Stay for 30-45 minutes once a month after a game for a board meeting,
- Contribute ideas and opinions on matters to come before the board,
- Support decisions made by the board, whether you agree with a particular decision or not, and
- Assist in setting up the fields and assuring all items have been returned at the end of games. This responsibility is on a rotation basis and you will generally only have to perform these “table duties” once every four to eight weeks.
